

Cauca Best Cup # 12 - Asociacion De Mujeres Productoras Del Carmen (GrainPro)

Asociación de Mujeres Productoras Agropecuarias del Carmen Sotará (AMPACS), translating to "The Carmen Sotará Association of Women Agricultural Producers"

The founders of AMPACS are community leaders in Carmen who manage resources and projects for coffee producers seeking to improve their coffee production and quality in cup, opening new markets and better opportunities for the farmers and their families.

Thanks to the training facilitated by AMPACS, the coffee quality has been supreme, making the association a worthy contender in the Cauca Best Competition.
