

# CESMACH Coop - Women Producers - El Triunfo Biosphere Reserve, FLO ID 935 - (CBC MX-BIO-104) (GrainPro)

Female smallholder-members of the grower organization CESMACH make up this lot, which comprises hand-picked and sorted coffees grown on farms no larger on average than 4 hectares. There are 32 communities represented by this coffee, from the municipalities of Ángel Albino Corzo, La Concordia, Montecristo de Guerrero, and Siltepec.

CESMACH is dedicated to aligning small producers to optimize their market power, which includes helping women growers collaborate on projects which will increase their visibility and marketability; the organization also commits its resources toward analyzing it and its members responsibility to the environment and the community, and to band together to increase the collective quality of life for the people in Sierra Madre de Chiapas.
