

Huila - Suaza - ASOCAFE Association (GrainPro)

Regional Select is a new project we have created in Colombia meant to highlight the unique profiles we have found are inherent in specific microregions within Colombia. The regions we will begin highlighting to start are Huila, Narino, Cauca and Tolima.

We think that the terroir or soil, sun weather and placement on the planet contribute largely to the flavor of these coffees when picked ripe and handled properly.

For more information about coffee production in Colombia, visit our [Colombia origin page](#).

ID# 8985
