

Jhonnathan Camacho - Finca Llano Bonito - Black Honey (GrainPro)

Jhonnathan Camacho is the descendant of Rafael Camacho Vega, one of the first coffee producers of West Valley. Jhonnathan is following his grandfather's steps in becoming a great coffee producer, and Café Imports is pleased to offer several microlots from his farms, processed in the Black Honey style for which Costa Rica is famous.

ID# 9576

Origin	Costa Rica
Region	San José de Naranjo, West Valley
Farm	Finca Llano Bonito
