

# Finca Las Lomas - Apaneca - Natural

Finca Las Lomas is located in western El Salvador's Apaneca mountain region. This farm is a total of 40 manzanas, of which all is planted with approximately 120,000 coffee trees. The soil is soft clay & volcanic, and the harvest period is typically December-March. Cherries are picked ripe and brought to raised african beds and dried as naturals for a period of 21 days.
